

MULTIFUNCTION FACSIMILE

LANIER
A RICOH COMPANY

LE125m

Fast, productive performance and outstanding value

*A compact, affordable multifunction fax system that delivers
business-class faxing, plus high-quality printing and scanning
for low-volume environments*

your document management partner

FEATURES

Choose the Lanier LF125m for high-performance faxing, with optional scanning, and laser printing in a compact, space-saving footprint. This easy-to-use, all-in-one solution is ideal for low-volume offices, independent businesses, and workgroups that need high-quality output from an affordable desktop system. The LF125m features fast transmission and prints up to 17 pages per minute to maximize productivity. It also includes many features typically found in high-volume systems, ensuring superior overall value.

Powerful fax functionality

- 33.6 kbps modem minimizes long-distance costs
- Quick three-second transmission speed increases productivity
- 2 MB memory stores up to 160 pages
- 20-sheet automatic document feeder
- 20 quick dial and 80 speed dial locations

Built-in scanning capabilities

- Up to 203 x 392 dpi scanning for high-quality, business-class results
- Six-seconds-per-page scan speed ensures productive performance
- Scan and store hardcopy originals directly to PC for one-touch refaxing

Fast desktop laser printing

- Prints up to 17 pages per minute to increase throughput
- 600 dpi output for consistently excellent image quality
- 250-sheet paper capacity minimizes reloading

Convenient design, exceptional value

- Compact footprint saves real estate in space-restricted offices
- Multifunction operation eliminates separate supplies costs for faxing, scanning, and printing
- Convenience copying offers high-quality reproductions
- Standard PC connectivity for easy operation
